HEATING

Welcome to your Worcester Bosch Boiler and Woolfoot Heating Ltd.

Between us, we plan to give you years of trouble free service. In order to ensure that this happens, your boiler will require to be serviced every 12 months and we will, of course, notify you of this.

To help maintain your guarantee, we offer a range of service plans from servicing to full system maintenance, at reasonably priced monthly payments.

Please feel free to contact us at any time if you have any questions.
